After surviving a devastating car crash, Bryce Donovan is plagued by crippling nightmares that leave her terrified to close her eyes. She still bears the scars from that night, both emotionally and physically.

Her job at Tweedy Contractors brings the diversion she is desperate for, and the new apprentice painter is a welcome distraction. As a gifted artist, Scarlet Tweedy creates beauty in every medium she employs. But she's always been expected to take over her father's business. The problem is she doesn't want to follow in his footsteps while she has dreams of her own to pursue. But can she choose her own path over what has always been expected of her?
