Ever wondered what the rest of Taryn's pictures look like? That is, the ones without the ghosts? Taryn Magill loves her abandoned houses, old buildings, and isolated places. When she's not painting she's busy putting her beloved camera, Miss Dixie, to work. Together, they've been on hundreds of adventures. In this companion book to the Taryn's Camera series there are more than 140 pages of full-sized photographs taken from the 5 books in the series, as well as a few extras! From the skeletal jungle of Driftwood Beach to interior shots of the REAL house that inspired Windwood Farm, it's a quick and fun peek into the REST of Taryn's world!
