Aaron Brandon Solomon, known mainly and formidably by his official monikers, Samantha Komodo and "Cheezi D"; formerly known by his past pen names of Jennifer Gisselbrecht, and Mwezi Desoto, is a male gray wolf (choosing to reincarnate into a female gray wolf) and an American author/rapper/lyricist. She has been writing series of more than many fiction/action/thriller series book since the tender cub age of five; with his most famous hits apparently being "Lone Wolves" and her most recently self published, all anti-villain main cast crime drama saga, "Lobo Thunder/The Hystericals". So far, his current writing ambitions include writing to express not only his own physical emotions into his works, but also those maybe of other animal beings around him in the world as well.
