The undead return with more strange, terrifying, and bizarre tales of the unlife beyond life. Zombies, ghouls, vampires, and other things that should not be shambling through the pages of this anthology. Among the tales told: An old gunslinger and a horse thief hunt down a rather peculiar prize that does more than haunt them in "Bring Me The Head Of Pepe Cortez!" The competition at the Annual Southeastern Necromancer's Invitational proves to be a real killer in "Dearest in Show." How much of a body can you replace and life still be life? A man desperate to save his wife confronts this question in "Fixing Nancy."
