Beth Spencer has experienced only pain in her short life. Married off to a cold and heart man, she's never known the gentle touch of love. When her husband is found dead, all of England assumes she killed him. Desperate to escape the hangman's noose, she flees, assuming the position of a governess and working for the intriguing Nathan Chambers, Lord Brimley. Instantly, Beth feels a connection to the man.

But can she trust him with her life? If the mysterious and aloof lord of the castle doesn't steal her heart, his four rambunctious sons just might. Nathan Chambers can never know love. Even marriage is an impossibility for being with him means living a life of terror and fear.

It is only while at his estate in the countryside that he can hide the demon within. But fate intervenes when the beautiful governess appears. He thinks Beth is the answer to his prayers when she takes his unruly sons in hand. But when she steals his heart he realizes just how much of a threat she truly is. But can they possibly have a future when the very secrets of their past threaten their lives? The Night Series: A Night of Secrets: Book 1 A Night of Redemption: Book 2 A Night of Forever: Novella
