One of the best ways to learn about other nations and other cultures is through their food. Each book in the A Taste of Culture series explores the foods, cooking traditions, customs, eating habits, and food sources of a different country—all presented through a delectable blend of geography, daily life, culture, and history. All volumes discuss ingredients that form the staples of cooking in a given country, the favorite dishes, the snacks and sweets, the traditional holiday meals, and the preparations and traditions associated with these foods. Full-color photographs, easy-to-follow recipes, fascinating facts, maps, a glossary, bibliography, and index enhance each book.
