A masterpiece nearly twenty years in the making, this archival, oversized, and slipcased hardcover volume contains the complete life story of Martha Washington, the twenty-first century freedom fighter created by comic-book megastars Frank Miller (*Sin City*, 300) and Dave Gibbons (*Watchmen*). Our story begins in the squalid corridors of a maximum-security housing project, where a young girl will rise from the war-torn streets of Chicago to battle injustice in a world insane with corruption. Her fight will take her far, from the frontlines of the second American Civil War, to the cold, unforgiving reaches of space. She will be called a hero, a traitor, and nearly everything in between, but all along the way, her courage, her integrity, and her unwavering commitment to that most valuable of rights - liberty - will inspire a movement that will never surrender!
