Once upon a winter, four teenage girls escaped from a miserable foster home existence to a world where anything is possible. Nadya has always dreamed of being a Nature Princess.

Opal would settle for a castle with a moat and a matching prince to accessorize with her wardrobe, while Crystal would give anything to be a pretty knight in pink armor. And Sam just wants to be left alone. Then one night, a genie-like being offers to whisk them away for a whole year to a place where their most deeply treasured fantasies can come alive. No catches, no questions asked, no strings attached. Well, sort of...

Join Opal, Sam, Crystal, and Nadya on a journey that is unlike anything else you will ever experience. Because when making it through the year means no than coming home together, nothing else matters. Everland Volume I: Opal's Book of Winter "It's only the beginning."
