A New Age Book of Poetry by Rebecca Anne Banks. Written in Montreal, the winter of 2010 – 2011. Still at Yan's I spent a great deal of time watching the beauty of the sky from the windows of my room as I worked. I celebrated Christmas down at St. Stephen's Mission with a special friend. As well as being inspired by my special friend at Yan's, I was touched by events, the Sisters in Spirit Street March (a protest drawing attention to missing Indigenous women), the life and photos of Vivian Maier, and the non-violent protest in Egypt. Biography: Rebecca Anne Banks (Poet, Singer, Songwriter, Musician, Writer, Artist, Philosopher, Counselor) is at home in Montreal. She is the CEO/Artist at Tea at Tympani Lane Records (www.tympanilanerecords.com), the Poetry Editor at Subterranean Blue Poetry (www.subterraneanbluepoetry.com), and the Book Reviewer at The Book Reviewer (www.thebookreviewer.ca).
