This is an alternate cover edition for ASIN: B00XDN7MMK Mature audiences only, contains M/F scenes and adult language This is the first part in a six part serial book. Although each can be read as a standalone it is best to read them in order. Clarissa is an acclaimed journalist and blogger, who sets out to show the erotic side of prostitution by writing a blog article to her followers. She speaks to six women, in six different cities, and she has them tell her one of the hottest encounters with one of their clients. The first she interviews goes by the name of Vixen. After suffering tragedies no child should endure, she found a way to take back control of her life. She recites the hot and steamy scenes with her client Brandon.
