It isn't always easy to make a name for yourself when you're teaching children how to dance out of a little run-down studio in the big city. When Avery finds himself in the dilemma of chasing his heart and chasing his dream he will have to decide his next step. But it's not just his heart on the lines. He has to think about his students and his school. No matter what, he will take life one plié at a time. **AUTHOR'S NOTE:** This is a stand-alone story with an HEA, so no cliff-hangers!
