Meet a little boy named Paco who loves to draw but can't seem to concentrate during school in this picture book that's sprinkled with Spanish words! Paco gazed out at the late-morning sun. He wondered why recess had not yet begun. He wanted to go to el campo and play, and act like a matador shouting “¡Olé!” Paco loves daydreaming and drawing, but he struggles to concentrate during class. When his profesor takes him to the Art room, Paco is amazed by the colorful paints: pink, rosado; purple, morado; fiery orange, anaranjado; and more! Could art be just what Paco needs? Includes a glossary of Spanish words.
