I Like to Read(R) Books for Beginning Readers - More than 70 fun-to-read books for new readers - Guided reading levels A through G, based upon Fountas and Pinnell standards - Award-winning easy reader series, created by acclaimed author-illustrators including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors - Levels A though D for kindergarten readers; levels D through G for early first grade readers Big Chuck, a woodchuck, is having fun with Rabbit, Raccoon, Chipmunk and the mice brothers when he spots a pair of blue pants.

Chuck must have the pants.

He holds up the game while he struggles to put them on.

"You are too big and the pants are too small," his friends tell him, but Chuck thinks he looks spiffy. Sidesplitting illustrations show a determined Chuck, stuffed into his much-too-tiny blue pants trying in vain to keep up.

Comfort and fun finally trump fashion as Chuck sheds the pants and joins the gang for a game of hide and seek. Pat Schories's comic illustrations turn a stubborn woodchuck's misguided fashion statement into a laugh-aloud story about self-image and the well-intended advice of true friends.
