Charlotte Reynolds is dead. Her life taken by someone. Someone who has killed before. Someone Detective Inspector Michael Traynor failed to catch ten years earlier. Traynor is determined not to make the same mistakes again, but it's not that easy. £35,000 stuffed in a hold-all suggests that the victim may not be as innocent as she first seems, and as the shadow of a far-right group moves closer and closer, the detective struggles to stop his private life colliding head first into the case. Can he solve the ten year old puzzle before it consumes him and everyone he cares about? Set in Preston, Lancashire, Jubilee is the 1st book in the DI Traynor series.
