The next operation find the super hot Agent Robbins and Samantha ship-wrecked somewhere in the Mylar 3 System. Their vessel is underwater, with unknown oxygen supply. The pair must find a way to survive in order to complete their sexy mission. Samantha finds more than safety as they appeal to the Oimorane for help. In a quest to find her favorite cocktail she finds a group of lusty Oimorane ready to take her if she is willing or not. The scene takes a steamy turn as an old Ootaxi friend joins the group, showing the rest the way to properly pleasure a female human. Upon further intel collection the agent and Sam discover the G'haon plan for domination. They soon learn the evil plan hinges on the successful completion of their mission. Luckily her Ootaxi friend is one step ahead of the crafty plot. But the key, again, is Samantha and her special fluids. The three come together in an alien/human orgy to save Mylar 3. This 10,000 word novella contains graphic sex play, alien/human group sex, sexual domination, and M/M/F alien sex.
