Alec discovers the BDSM scene and impulsively decides to get himself a slave girl. Cerena is an experienced sub that is in the market for a new master. Meanwhile, Cerena's ex is determined to have her back, whether she wants to go or not. This is not the typical BDSM story, rather, it is an explicit romance of lust and passion found at the feet of the master. \*\*\*Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended for an adult audience.\*\*\*
