Trapped in a miserable marriage to the domineering Sarah, Robert knows he needs to act now as she wants them to start a family. Echoes of his own unhappy childhood at the hands of a cruel mother lead him to asking for his father's advice. Both men are used to making sacrifices for the women in their lives and putting their own needs last.

However, his father's latest sacrifice turns Robert's world upside down and changes all their lives in a way he could never have imagined...
