This epic trilogy by Robert Harris includes his bestselling novels: Imperium, Lustrum and Dictator Imperium - Compellingly written in Tiro's voice, Imperium takes us inside the violent, treacherous world of Roman politics, to describe how one man - clever, compassionate, devious, vulnerable - fought to reach the top. Lustrum - From the discovery of a child's mutilated body, through judicial execution and a scandalous trial, to the brutal unleashing of the Roman mob, Lustrum is a study in the time enticements and horrors of power. Dictator - Riveting and tumultuous, Dictator encompasses some of the most epic events in human history yet is also an intimate portrait of a brilliant, flawed, frequently fearful yet ultimately brave man – a hero for his time and for ours. This is an unforgettable collection from a master storyteller.
